This contract is for the DJ services of WOW EVENTS DJs (herein called "DJ") and any other miscellaneous services at the event described below. It is between the undersigned Purchaser of DJ services (herein called "Client") and Phatsounds Music Group; the parties agree to be bound by said terms and conditions listed below.

In addition, the client understands that the DJ will set up his equipment 1-2 hours prior to the start time.
2. The client agrees to pay the DJ ½ of the total cost of services as a deposit. This contract must be signed and dated by the client and mailed or hand-delivered to the DJ at least 60 days prior to the event. The deposit is also due to the DJ at least 60 days prior to the event. If this contract is not signed and dated by the client, and the contract and deposit received by the DJ at least 60 days prior the event, this contract is void.
3. If the client decides to cancel this contract, the client agrees to inform the DJ at least 30 days prior to the date of the event. The client will NOT receive a refund (the deposit) UNLESS notice of cancellation is received at least 30 days prior to the scheduled engagement.
4. The DJ must have easy access to the entrance closest to the area where services will be performed, for unloading purposes.
5. The client will be responsible for providing sufficient set-up space for the DJ's equipment and sufficient power supply. If the engagement is outside, shelter (in the form of a tent or similar) must be provided. The DJ is not responsible for any mechanical failures due to floor structures, electricity, power outages, etc. at the chosen location site.
6. The DJ is not responsible for providing services in the event that wind, fire, flood, or any act or force of God or man makes the facilities unavailable at the time, date, and place listed below.
7. In the event that the DJ becomes unable to provide his services due to complications beyond his control, the DJ will do his best to provide a reputable replacement at no more than the original price agreed on.
